TERMS AND CONDITIONS OF ADMISSION

Basic condition of admission

The basic condition for admission to master's (engineering) degree study (the second degree study programme) is the full completion of the first degree of university study (Higher Education Act, no. 131/2002 Coll. as amended). In the case of a foreign applicant or a student who completed his / her study abroad, he / she shall submit along with the application form (no later than on the date of enrolment) a decision on the recognition of the certificate of completion of the first degree of higher education recognized by a relevant institution in the Slovak Republic or he / she shall ask UNIZA for the recognition of the certificate of education.

Other conditions of admission

1. No entrance exams

Bachelor's degree graduates in the same study programme who achieved in bachelor's degree study programme an overall weighted average of marks 2.5 or less and at the same time successfully passed their final state examination on the first attempt. Other applicants will have to pass entrance exams.

2. Selection Procedure - Entrance Exams

All other applicants who do not meet the conditions for being accepted without entrance exams will have to attend the selection procedure (with written test).

Rules of Selection Procedure

Bachelor's degree graduate may apply for the study. Applicants will be accepted on the basis of the planned capacity of individual study programmes and the evaluation of applicants, in which the main criterion will be the study results achieved in the bachelor's degree study.

Applicants who completed the first degree of university study at another university or faculty may be admitted only on the basis of the results of a written test from profile subjects of the selected study programme. The theses of profile subjects are published on the website of the Faculty.

The final decision on the results of entrance exams is made by the Dean of the Faculty of Security Engineering UNIZA based on the recommendations of the admission committee of the Faculty.

ADMISSION OF FOREIGN STUDENTS

The basic and other terms and conditions of admission are applicable as for the applicants from abroad as for the applicants from Slovakia.

Foreign students who study in a foreign language (i.e. not Slovak), pay the tuition fee as stated in Section 92 (8) of the Higher

Education Act. The tuition fee is specified by the UNIZA directive and published for the respective academic year on the university's website. Foreign students who study in the Slovak language do not have to pay the tuition fee. Applicants from the Czech Republic can use the form valid in the Czech Republic to submit their application for study. Applicants who do not actively speak Slovak or Czech are required to successfully complete language training (it is possible to attend the Slovak language courses at UNIZA). For foreign applicants who were admitted on the basis of intergovernmental agreements, bilateral agreements or Slovak government grants, terms and conditions stated in respective documents are applicable.

APPLICATION FORM

Application forms are to be submitted for individual study programmes.

Applicants fill in the application form - Prihláška na vysokoškolské štúdium - 2. Stupeň or they can also use an electronic application form. The electronic application can be filled in via the UNIZA website: <https://vzdelavanie.uniza.sk/prijimacky/index.php> or on the Portal VS (University Portal): <https://prihlaskavs.sk/sk/>.

Even in the case of an electronic application form, it is necessary to provide the required attachments and proof of payment of the fee.
