CodeVita Registration Trends

Season 9 just India Registrations have already surpassed previous years totals !

I like the coding questions in CodeVita, they are real-life problems which make them even more challenging! As a coder, it's totally worth it!

“

I love CodeVita because of it's emphasis on the applicability of my knowledge. It demands a thorough understanding of programming. Coding has always been my thing, I would encourage more girls to come up and participate in CodeVita.
