HEALTH CARE FOR STUDENTS

European Health Insurance Card

Free card that gives you access to medically necessary, state-provided healthcare during a temporary stay in any of the 27 EU countries, Iceland, Liechtenstein, Norway and Switzerland under the same conditions and at the same cost (free in some countries) as people insured in that country.

- is not an alternative to travel insurance. It does not cover any private healthcare or costs such as a return flight to your home country or lost/stolen property,
- does not cover your costs if you are travelling for the express purpose of obtaining medical treatment,
- does not guarantee free services. As each country's healthcare system is different services that cost nothing at home might not be free in another country.

HEALTH CARE FOR STUDENTS

Travel Insurance

Travel insurance abroad covers expenses incurred for emergency medical care provided in a public or private medical facility. However, it also includes extra services. You can insure your luggage, permanent consequences of an accident and death as a result of an accident, liability for damage, cancellation of a trip, early return or immovable motor vehicle. It's up to you what insurance you take out and for how long. The travel insurance may provide your national travel insurance company or you can use the ERAPO.
