- k) *The President of the Slovak Republic* is, pursuant to the Constitutional Act No. 460/1992 Coll., the head of the Slovak Republic and pursuant to Article 102 par. 1 letter h) he/she appoints and dismisses university professors.

Article 3

Candidate for the Scientific-pedagogical Title of Associate Professor or Professor

1. A candidate for the scientific-pedagogical title of associate professor (hereinafter referred to as the title "associate professor") or the scientific-pedagogical title of professor (hereinafter referred to as the title "professor") shall submit documents to the dean of the relevant UNIZA faculty before submitting his/her written application to commence the habilitation proceeding or the inauguration proceeding, and documentation processed pursuant to the relevant provisions of the Decree.
2. The candidate must meet the minimum criteria of UNIZA in the given field of the habilitation proceeding and the inauguration proceeding, which are assigned to the study field and form Appendices No. 1 to No. 4.
3. In the event that the candidate is an employee at a different higher education institution or scientific research institution, where he/she reports his/her teaching, publishing, research and other creative activities, all appendices shall be documented by the confirmation of the relevant official of this higher education institution or scientific research institution. The documentation and materials processed pursuant to the relevant provisions of the Decree shall be submitted to the chairperson of the Scientific Board of the relevant faculty/UNIZA before submitting a written application for the commencement of the habilitation proceeding or the inauguration proceeding.

Article 4
Dean of a Faculty/Rector of UNIZA (Chairperson of the Faculty's Scientific Board/Chairperson of the UNIZA Scientific Board)

The dean of the relevant faculty/rector of UNIZA for university-wide HPaIP fields shall submit the candidate's processed documentation for verification of the compliance with the criteria to the faculty evaluation committee designated by him/her, in case of university-wide HPaIP fields to the university evaluation committee.

Article 5
Faculty/University Evaluation Committee

1. The faculty/university evaluation committee shall rigorously assess the materials submitted by the candidate and evaluate whether the orientation of the candidate's creative activity (candidate's research, artistic and other activities) and the outputs of his/her publication activity belong to the field of the habilitation proceedings and the inauguration proceedings in which the title associate professor or professor is applied for. It shall assess his/her pedagogical activity, shall further assess the compliance with the valid criteria for obtaining the title associate professor or the title professor in individual categories, including the compliance with the UNIZA framework minimum criteria (an overview of which creates the Appendices No. 1 to No. 5 of this internal regulation for individual fields of study of the habilitation proceedings and the inauguration proceedings).
2. The faculty/university evaluation committee shall process its findings into specific conclusions, while also recommending the appropriateness or the need to make modifications in the documentation. The chairperson of the committee submits the conclusions signed by the individual members of the faculty/university evaluation committee together with the candidate's necessary documentation to the dean of the faculty and informs him/her in detail about all the facts. In the event that all criteria are met, and the faculty/university evaluation committee makes a recommendation to submit an application to commence the habilitation/inauguration proceeding, the dean of the faculty shall submit all the documentation to the vice-rector for science and research.
3. In the event that the faculty/university evaluation committee makes a recommendation to supplement the documentation, the dean/rector shall invite the candidate for the habilitation/inauguration proceeding to complete the relevant missing details or shall not recommend submitting the application for the commencement of the habilitation/inauguration proceeding.

Article 6
Vice-rector for Science and Research

1. The vice-rector for science and research shall examine in detail (usually within 30 days from the delivery of the documentation) whether the submitted materials are elaborated pursuant to the relevant provisions of the Decree, and whether the candidate meets the approved binding and minimum criteria for obtaining the title associate professor or professor.
2. In the event that the vice-rector for science and research finds that the submitted materials are elaborated pursuant to the relevant provisions of the Decree and the candidate meets the approved binding and framework criteria of the relevant faculty/UNIZA, he/she shall

recommend to the dean/rector to invite the candidate to submit a written application to commence the habilitation proceeding or the inauguration proceeding.

3. The vice-rector for science and research shall initiate a meeting with the rector and the relevant dean at whose workplace the habilitation proceeding is to commence. The purpose of the meeting is to inform the rector on the compliance with the criteria, the candidate's professional personality and other related facts. The rector gives/does not give a recommendation to submit an application to commence the habilitation/inauguration proceeding.
4. In the event that the vice-rector for science and research finds that the submitted materials are not elaborated pursuant to the relevant provisions of the Decree and/or the candidate does not meet the approved binding and framework criteria of the relevant faculty, he/she shall recommend to the dean/rector to ask the candidate to eliminate the deficiencies. After the deficiencies have been eliminated, the vice-rector for science and research shall reassess the materials. In the event that the deficiencies are eliminated, he/she shall recommend the dean/rector to invite the candidate to submit a written application to commence the habilitation or the inauguration proceeding pursuant to paragraphs 2 and 3 of this Article.
5. In the event that the vice-rector for science and research finds that the candidate does not meet the approved binding criteria of the relevant faculty/UNIZA, he/she shall recommend to the dean/rector that the candidate should not submit a written application to commence the habilitation or inauguration proceeding.
6. In the event that the candidate for the habilitation proceeding or the inauguration proceeding submits a written application pursuant to the Decree without the procedure specified in Articles 3 to 6, the dean of the faculty/rector accepts his/her application to commence the habilitation proceeding or the inauguration proceeding and is obliged to commence the habilitation proceeding or the inauguration proceeding pursuant to the Decree. In the event that the dean/rector discovers deficiencies in the submitted application for the habilitation or inauguration proceedings:
 - a) he/she shall ask the candidate to eliminate the deficiencies and suspends the habilitation proceeding or the inauguration proceeding for a maximum of one year. If the candidate does not eliminate the deficiencies within the specified period, the habilitation or inauguration proceedings terminates. If the deficiencies are eliminated within the prescribed deadline, the habilitation or inauguration proceeding continues.
 - b) in the event that it is a field of HPaIP for which UNIZA has not been granted accreditation for the habilitation proceeding and the inauguration proceeding, or if the candidate, based on the criteria for obtaining the title associate professor or professor, demonstrably does not meet any of the conditions pursuant to Section 76 par. 1, 3, 4 and 6 of the Higher Education Act, the chairperson of the Faculty's Scientific Board/UNIZA Scientific Board returns the application within four months with the consent of the Faculty's Scientific Board/UNIZA Scientific Board with a justification and attached documents to the candidate and the habilitation proceeding terminates.

5. The habilitation thesis must meet the special requirements for such final work pursuant to the Higher Education Act and must be made available to the public pursuant to the Higher Education Act. The appearance of the cover and title page of the habilitation thesis must comply with the provisions of Section 1 and Section 2 of the Decree of the Ministry of Education, Science, Research and Sport of the Slovak Republic No. 233/2011 Coll., which implements some provisions of the Higher Education Act.
6. Before the habilitation thesis is published and made publicly available, its author shall submit to the chairperson of the Scientific Board of the relevant faculty/UNIZA a draft of the license agreement signed by him/her and an originality verification protocol pursuant to the valid Directive On Final, Rigorous and Habilitation Theses under the Conditions of the University of Žilina.

Article 8

Course of the Habilitation Proceeding

1. The chairperson of the Scientific Board of the faculty/UNIZA shall appoint, with its consent, three opponents of the habilitation thesis and a three-member habilitation committee from experts in the field within six months from the commencement of the habilitation proceeding, so that no more than one opponent and no more than one member of the habilitation committee is an employee of UNIZA. At the same time, with the consent of Faculty's Scientific Board/UNIZA Scientific Board, he/she shall determine the topic of the habilitation lecture.
2. At the time of appointment, the chairperson of the habilitation committee shall occupy the position of a professor and shall work scientifically or artistically in the relevant field of the habilitation proceeding and the inauguration proceeding. As a rule, the chairperson of the habilitation committee is the guarantor of the relevant field of study of the habilitation proceeding and the inauguration proceeding. One opponent shall occupy the position of a professor at the time of appointment. Other opponents and other members of the habilitation committee shall occupy positions of professors or associate professors at the time of appointment; in justified cases, other opponents or other members of the habilitation committee may be other significant experts. Opponents and other members of the habilitation committee work scientifically or artistically at the time of their appointment in the relevant field of the habilitation proceeding and the inauguration proceeding. In justified cases, opponents and other members of the habilitation committee may work in the field of science, technology, or art according to the orientation of the candidate's creative activity (candidate's research, artistic and other activities).

3. Opponents of the habilitation thesis shall elaborate written reviews within three months of appointment at the latest. Opponents are provided with information from the Central Registry of final, rigorous, and habilitation theses on the verification of the degree of originality of the habilitation thesis when elaborating the written reviews.
4. Opponents' reviews are entered and kept in the Central Registry of final, rigorous and habilitation theses for the period stipulated by the UNIZA Registration Regulations.
5. The chairperson of the Faculty's Scientific Board/UNIZA Scientific Board shall publish in the daily press and on the UNIZA website within nine months from the commencement of the habilitation proceeding, no later than 14 days before it takes place, the date, time and venue of the habilitation lecture and the date, time and venue of the defense of the habilitation thesis (viva), as well as the name, surname, workplace of the candidate, the title of the habilitation lecture and the title of the habilitation thesis.
6. The habilitation lecture and the defense of the habilitation thesis, which are part of the habilitation proceeding and through which the candidate mainly demonstrates his/her pedagogical competence and professional mastery of the field of study of the habilitation proceeding and the inauguration proceeding, shall take place no later than ten months after the commencement of the habilitation proceeding. The chairperson of the habilitation committee informs the committee of the result of the verification of the originality of the habilitation thesis, and it is his/her duty to comment on the result of the verification, which is stated in the Originality Verification Protocol.
7. The habilitation lecture and the defense of the habilitation thesis are public. They can be held:
 - a) in front of the habilitation board. In this case, the candidate must also speak at a regular meeting of the Faculty's Scientific Board, presenting his/her pedagogical and scientific research activities and his/her contribution to the development of the HPaIP field.
 - b) at a regular meeting of the Faculty's Scientific Board/UNIZA Scientific Board in the presence of at least two opponents and before the habilitation committee. The habilitation lecture and the defense of the habilitation thesis shall take place no later than ten months after the commencement of the habilitation proceeding.
8. The habilitation lecture and the defense of the habilitation thesis can also be conducted in a combined way, that is, with or without physical presence via video conference or other means of information and communications technology.
9. Pursuant to the Higher Education Act, in times of crisis, the defense of the habilitation thesis and the habilitation lecture can be conducted via video conference or other means of information and communications technology without physical presence.
10. The habilitation committee shall evaluate the compliance with the conditions pursuant to Section 76 par. 1, 3, 4 and 6 of the Higher Education Act, pursuant to the valid criteria for obtaining the title associate professor at the relevant faculty/UNIZA, including the compliance with the UNIZA framework recommended criteria and on the basis of the submitted documentation, opponent's reviews, expert assessment of the level of the delivered habilitation lecture and the result of the defence of the habilitation thesis it shall evaluate the pedagogical, scientific or artistic activity of the candidate as a whole and, no later than one month after the habilitation lecture and the defense of the habilitation thesis, it shall submit a proposal to the chairperson of the Faculty's Scientific Board with a recommendation to award or not to award the candidate the title associate professor in the HPaIP field.
11. The Faculty's Scientific Board/UNIZA Scientific Board discusses the proposal of the habilitation committee pursuant to par. 1 of this Article no later than six months from its submission in the presence of the chairperson of the habilitation committee or a member

of the habilitation committee authorized by him/her. It assesses whether the candidate meets the conditions for obtaining the title associate professor and decides whether or not to grant it to the candidate. At the same time, it shall assess whether the procedure established by the Higher Education Act and the Decree has been followed throughout the proceeding. The Faculty's Scientific Board/UNIZA Scientific Board decides on awarding/not awarding the title associate professor pursuant to Section 2 par. 3 of the Decree by secret ballot, while the decision requires the consent of a majority of all members of the Scientific Board of the relevant faculty/UNIZA.

12. If the Faculty's Scientific Board/UNIZA Scientific Board finds that the habilitation proceeding has not been conducted pursuant to the Higher Education Act or the Decree, it shall determine the way to eliminate the deficiencies.
13. If, according to the decision of the Faculty's Scientific Board/UNIZA Scientific Board, the candidate does not meet the conditions, the Faculty's Scientific Board/UNIZA Scientific Board shall not award the title associate professor, and its chairperson shall notify the candidate of this decision in writing with justification within 30 days of the decision of the relevant Scientific Board. The deadline for possible resubmission of the application for the title associate professor is determined by the rules of procedure of the relevant Scientific Board, and this deadline must not exceed 3 years. In case of university-wide fields of the habilitation proceeding and the inauguration proceeding, the candidate may resubmit the application for the title associate professor pursuant to the Rules of Procedure of the UNIZA Scientific Board, while this period must not be longer than 3 years. The period starts to run from the date of the decision of the relevant Scientific Board.
14. When resubmitting the candidate's application for the title associate professor, the proceeding follows pursuant to the provisions of Section 1 – Section 3 of the Decree and pursuant to Article 8 par. 12 of this Directive.
15. If the Faculty's Scientific Board/UNIZA Scientific Board decides on awarding/not awarding the title associate professor, the decision together with the documentation on the previous progress of the habilitation proceeding shall be delivered by the chairperson of the scientific board of the faculty to the rector of UNIZA, or it shall be delivered to the rector as the chairperson of the UNIZA Scientific Board within 30 days of the decision.
16. If the candidate for the title associate professor is not employed by UNIZA as a member of the teaching staff, the chairperson of the Faculty's Scientific Board/UNIZA Scientific Board shall also invite a representative of the higher education institution or faculty where the candidate works as a teacher to discuss the proposal in the Scientific Board. He/she shall ask the relevant rector of the higher education institution or the dean of the respective faculty to send this representative.
17. The rector grants the candidate the title associate professor within two months upon receiving the decision of the Faculty's Scientific Board/UNIZA Scientific Board. A decree is a document confirming the award of the title associate professor. The habilitation proceeding finishes with the signing of the decree by the rector. A sample of the associate professor's decree can be found in Appendix No. 6.
18. If the rector has reasonable doubts that the Faculty's Scientific Board in a specific case did not comply with the criteria for obtaining the title associate professor or procedural errors occurred during the habilitation proceeding, the rector may pursuant to Section 10 par. 7 of the Higher Education Act return the proposal to the Faculty's Scientific Board for a new proceeding, stating the reasons that led him/her to such procedure.
19. Pursuant to Article 8 par. 2 letter b) of the SAAHE Standards for HPaIP, proven plagiarism of a candidate for the title associate professor is also a reason for not awarding the title associate professor.

20. After the completion of the habilitation proceeding, the habilitation file is archived by the Department for Science and Research of the Rector's Office of UNIZA, while the appendices to the file are returned to the dean's office of the relevant faculty.
21. Obligations related to the publication of documents and the documentation related to the habilitation proceeding are listed in Appendix No. 8.

Article 9

Withdrawal of the Title Associate Professor

1. Pursuant to Section 108f par. 3 of the Higher Education Act, the rector of UNIZA shall withdraw the title associate professor if:
 - a) the person who has been awarded the title "associate professor" was legally convicted of an intentional crime and by committing this crime obtained an advantage that had an impact on the compliance with the conditions for obtaining the title associate professor or on the compliance with the conditions for the commencement of the habilitation proceeding,
 - b) the habilitation thesis or part of it was demonstrably not elaborated by a person who has been awarded the title associate professor,
 - c) the person who has been awarded the title associate professor used the subject of intellectual property protection of another person without authorization, and through this action obtained an advantage that had an impact on the compliance with the conditions for obtaining the title associate professor or on the compliance with the conditions for the commencement of the habilitation proceedings,
 - d) the person who has been awarded the title associate professor, as a result of the decision on the invalidity of the state examination or its part or as a result of the relinquishment of the academic title, ceased to meet the condition for the commencement of the completed habilitation proceeding, or
 - e) the criteria for obtaining the title associate professor during the habilitation proceeding were not met.
2. The rector of UNIZA shall initiate the procedure for the withdrawal (revocation) of the title pursuant to Section 108g par. 6 of the Higher Education Act. Further details of the procedure for the revocation of the title are governed by the provisions of Section 108g, par. 7 to par. 17 of the Higher Education Act.

In the inauguration lecture, the candidate mainly demonstrates his/her pedagogical competence, presents his/her overall contribution to the field of the habilitation proceeding and the inauguration proceedings and the contribution of his/her students towards the development of the field of the habilitation proceeding and the inauguration proceeding, and expresses his/her view of the current state and prospects of the field.
7. Pursuant to Section 108e par. 5 of the Act, in times of crisis, the inauguration lecture can be delivered via video conference or other means of information and communications technology without physical presence. The inauguration lecture can also be held in a combined way, that is, with or without physical presence via video conference or other means of information and communications technology.
8. The inauguration committee shall evaluate the compliance with the conditions pursuant to Section 76 par. 5 and 7 of the Higher Education Act pursuant to the valid criteria for obtaining the title professor at the relevant faculty or UNIZA, including the compliance with

the UNIZA framework recommended criteria and based on the submitted documentation, opponent's reviews, and expert assessment of the delivered inauguration lecture. It shall evaluate the pedagogical, scientific, or artistic activity of the candidate as a whole and at the latest within one month upon the inauguration lecture, it shall submit a proposal to the chairperson of the Faculty's Scientific Board/UNIZA Scientific Board with a recommendation to approve/disapprove the proposal for the appointment of the candidate as a professor in the field of HPaIP.

9. The Faculty's Scientific Board/UNIZA Scientific Board shall discuss the proposal of the inauguration committee pursuant to par. 1 of this Article no later than six months from its submission by the inauguration committee in the presence of the chairperson of the inauguration committee or a member of the inauguration committee authorized by him/her and it shall assess whether the candidate meets the conditions for the appointment of a professor and decide on the approval/disapproval of the proposal for the appointment of a professor. At the same time, it shall assess whether the procedure established by the Higher Education Act and the Decree was followed throughout the proceeding. The Faculty's Scientific Board/UNIZA Scientific Board decides on the approval/disapproval of the proposal for the appointment of a professor pursuant to Section 6 par. 3 of the Decree by secret ballot, while the decision requires the consent of a majority of all members of the Faculty's Scientific Board.
10. If the Faculty's Scientific Board/UNIZA Scientific Board discovers that the inauguration proceeding has not been conducted pursuant to generally binding regulations/the Act or the Decree, the method for elimination of the deficiencies shall be determined.
11. If, according to the decision of the Faculty's Scientific Board, the candidate does not meet the conditions for the appointment of a professor, the Faculty's Scientific Board shall not approve the proposal and its chairperson shall notify the candidate in writing of this decision with justification within 30 days of the decision of the Faculty's Scientific Board. The deadline for possible resubmission of the application for the award of the title is determined by the rules of procedure of the relevant Scientific Board of the faculty, and this deadline must not be longer than 3 years. Under the terms of UNIZA, the candidate may resubmit the application for the title professor pursuant to the Rules of Procedure of the UNIZA Scientific Board, while this period must not exceed 3 years. The period starts to run from the date of the decision of the relevant Scientific Board.
12. If the Faculty's Scientific Board/UNIZA Scientific Board approves the proposal for the appointment of a professor, its chairperson shall submit the proposal to the chairperson of the UNIZA Scientific Board within 30 days of the discussion.
13. The UNIZA Scientific Board shall discuss the proposal of the Faculty's Scientific Board no later than six months after its submission by the Faculty's Scientific Board in the presence of the chairperson of the inauguration committee or a member of the inauguration committee authorized by him/her. Part of the discussion of the proposal is the presentation of the candidate by the dean of the relevant faculty, while the candidate shall present his/her pedagogical and scientific research activities and his/her contribution to the development of the given field of the habilitation proceeding and the inauguration proceeding. The UNIZA Scientific Board shall evaluate whether the candidate meets the conditions for the appointment of a professor and shall decide on the approval/disapproval of the proposal for the appointment of a professor. If the UNIZA Scientific Board does not approve the proposal, its chairperson shall notify the candidate in writing of the result with justification within 30 days after the discussion in the UNIZA Scientific Board.

14. When resubmitting the candidate's application for the appointment of a professor, the proceeding follows pursuant to the provisions of Section 5, Section 6 of the Decree and pursuant to Article 11 par. 11 of this Directive.
15. The UNIZA Scientific Board approves the proposal for the appointment of a professor by secret ballot. The approval requires the consent of a majority of all members of the UNIZA Scientific Board.
16. If the candidate for the appointment of a professor is not employed by UNIZA, the chairperson of the Faculty's Scientific Board shall also invite a representative of the higher education institution or faculty where the candidate works as a teacher to discuss the proposal in the Scientific Board. The chairperson of the UNIZA Scientific Board shall proceed in the same way. They shall ask the relevant rector of the higher education institution or the dean of the respective faculty to send a representative.
17. If the UNIZA Scientific Board approves the proposal for the appointment of a professor, the rector shall submit the proposal together with the documents on the previous course of the inauguration proceeding, in addition to the documents pursuant to Section 5 par. 2 letter f) of the Decree, to the Minister of education, science, research and sport of the Slovak Republic. The result shall be notified in writing to the Minister and the candidate for the appointment of a professor within 30 days of the approval by the UNIZA Scientific Board.
18. The Minister of education, science, research, and sport of the Slovak Republic shall elaborate a proposal for the appointment of a professor in accordance with his/her competences and submit the prescribed documentation along with the proposal to the President of the Slovak Republic.
19. If the rector has reasonable doubts that, in a specific case, the Faculty's Scientific Board did not comply with the criteria for obtaining the title professor or procedural errors occurred during the inauguration proceeding, the rector may, before the meeting of the UNIZA Scientific Board is held, return the proposal to the Faculty's Scientific Board for a new proceeding, stating the reasons that led him/her to such a procedure.
20. Pursuant to Article 8 par. 2 letter b) of the Standards for Habilitation Proceedings and Proceedings for the Appointment of Professors of the Slovak Accreditation Agency for Higher Education, proven plagiarism of a candidate for the title professor is also a reason for not awarding the title professor.
21. After the completion of the inauguration proceeding, the inauguration file is archived by the dean's office of the respective faculty or, in the case of university-wide HPaIP fields, by the Department for Science and Research of the Rector's Office of UNIZA.
22. Obligations related to the publication of documents and the documentation related to the inauguration proceeding are listed in Appendix No. 9.

Article 12

Proposal for the Dismissal of a Professor

1. Pursuant to Section 108f par. 4 of the Higher Education Act, the rector of UNIZA shall decide on the submission of a proposal for the dismissal of a professor if:
 - a) the person who was appointed as a professor was legally convicted of an intentional crime and by committing this crime obtained an advantage that had an impact on the compliance with the conditions for obtaining the title professor or on the compliance with the conditions for the commencement of the inauguration proceeding,
 - b) the person who was appointed as a professor used the subject of intellectual property protection of another person without authorization, and through this action

- obtained an advantage that had an impact on the compliance with the conditions for obtaining the title professor or on the compliance with the conditions for the commencement of the inauguration proceeding,
- c) the person who was appointed as a professor, as a result of the withdrawal or relinquishment of the title associate professor, ceased to meet the condition for the commencement of the inauguration proceeding, or
 - d) the criteria for obtaining the title professor during the inauguration proceeding were not met.
2. The rector of UNIZA shall initiate the procedure for the withdrawal (revocation) of the title pursuant to Section 108g par. 6 of the Higher Education Act. Further details of the procedure for the revocation of the title are governed by the provisions of Section 108g, par. 7 to par. 17 of the Higher Education Act.

PART 4: COMMON AND FINAL PROVISIONS

Article 13

Financial Costs Associated with the Habilitation and Inauguration Proceedings

1. If the candidate for the title associate professor or professor is employed by UNIZA for fixed weekly working hours, the costs related to the habilitation or inauguration proceeding are covered from the funds of the faculty or the workplace at which the candidate is employed.
2. If the candidate for the title associate professor or professor is not employed by UNIZA for fixed weekly working hours, he/she is obliged to pay a fee before the commencement of the habilitation or inauguration proceeding in order to cover the costs associated with the habilitation or inauguration proceeding in the amount stipulated by the Directive No. 116 Determination of Tuition Fees, Study-related Fees, Other Fees and Fees Associated with the Award of Scientific-pedagogical Degrees. In case of a repeated application for the title associate professor or professor after an unsuccessful previous proceeding, the candidate is obliged to pay a fee in the same amount.
