BUDATÍN CASTLE

Budatin Castle is a historical and architectural site in Zilina. here is Povazie museum located in the castle. It is specialised on documentation and research of pottery mending and includes more than 1200 pieces of pottery mending works.

CHURCH OF THE CONVERSION OF ST. PAUL THE APOSTLE

This church dates to 1754, and its pair of 32-metre towers breaks the line of low townhouses on the west side of Mariánske Námestie.

POVAŽSKÁ GALLERY OF ART ŽILINA

On Andrej Hlinka square, which has a panoramic view of the neighbouring mountains is a fine Neoclassical building that houses the city's gendarme station.

Then, in the intervening years it hosted a vocational school, the State Police in the Second World War and the editorial offices of the city's newspaper.
